### ***For Immediate Release***

**MIAMI, FL** - United Financial Services Group ("United"), the franchisor of United Check Cashing centers, is pleased to announce the opening of its sixth and seventh locations in the South Florida market. With over 142 locations nationally, United Check Cashing serves the un-banked and under-banked populations by providing check cashing, money order, wire transfer, bill payment and other financial services.

Jorge Diaz, franchisee, opened his check cashing service centers inside of two existing Liberty Tax Service offices located in the Publix shopping center at 9350 SW 56th Street and in the Rey's Pizza shopping center at 2462 SW 137th Avenue. Speaking about his new association with United, Mr. Diaz said, "adding pre-fabricated 100 sq. ft. service centers at the rear of the Liberty Tax Service offices allow us to provide the Liberty Tax customers the convenience of cashing their Refund and Refund Anticipation Loan checks where they pick them up. The new customers that will now come in to take advantage of our check cashing services will provide an additional customer base that the Liberty Tax operators will be able to market during the entire year. So, it is really a win-win relationship for both companies."

United's vice president for public relations, Larry Hurley, said "these two new service centers will be positive additions in the South Florida market." Hurley added, "By providing reliable services with quality people, United Check Cashing will become the financial provider for this under-banked segment of the market."

The check cashing centers are currently open six days weekly, closed Sundays. Everyone is invited to visit the Diaz family, at either of their new locations, and see how they can get you United with a variety of vital financial services that will allow you to manage your money on a simple cash basis.
